

TREASURE TRAIL - CRYPTIC CLUES...Yo! Ho! Ho! And a bottle of Rum!

<p>START At the roundabout at the south end of Quality Street – See a building with red walls and three unusual windows</p>	<p>1. All go with endless ethics combined -----</p>	<p>Now use the zebra to get to your next location directly opposite - The words will stare you in the face</p>	<p>2. Reform monarch’s cubicle here ----- -----</p>	<p>Now go up the High Street - look out for drills, heaters and all that sort of stuff</p>
<p>6. Put your house ahead of this tough stuff ----- -----</p>	<p>Further up the High street take the first left - to the ruined church – a left-handed grave search party works fastest! Not faceless.</p>	<p>4. RLS must have heard him loud and clear ----- -----</p>	<p>Retrace your steps to the High Street and continue west. Carry right on past. Why not?</p>	<p>5. D’n’t rush by without buying ----- ----- -----</p>
<p>Go on and then cross the road – any abbot would feel at home here – now take a good look all around</p>	<p>6. The complete opposite of chasing a wee ball ----- -----</p>	<p>Now cross Church Road and pass two Banks - but keep your eyes peeled to the opposite side of the road now – You must look above the well</p>	<p>7. It needs 6 legs to stand on -----</p>	<p>Via West End Place and green, to the big anchor - Head towards harbour - Look out for the old house with barred windows!</p>
<p>8. Rearrange some of each basement window to get the name of this cottage -----</p>	<p>Go on left along the lower quay and wind your way round the corners to the big four storey granary building</p>	<p>9. Beermat or altered state keeps pressure on -----</p>	<p>Take in the Harbour itself and go up the steps at the right hand side of the Lobster Shack – it is nearby</p>	<p>10. A safe place to take liberties with peril do you think? ----- -----</p>
<p>Now head up the steps past the Seabird Centre. Behind the standing statue - Go in and find the answer – They were real life savers</p>	<p>11. A parrot locket can be reformed to be quite useful hereabouts ----- -----</p>	<p>Now head East all the way to the end of Melbourne Road - head south west along the Quadrant - look for the blanks</p>	<p>12. Avoidance of wax down it melted here ----- -----</p>	

Now check your answers at the Coastal Communities Museum!
