

TREASURE COAST 2020

All around the North Berwick coastline people will be celebrating between 12th and 19th September 2020. Do join in the fun!

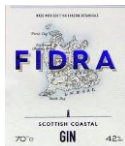

Courtesy of RSPB we will start by invading Fidra, inspiration for Robert Louis Stevenson's Treasure Island. And we will plant a flag there to mark the occasion. The puffins of Fidra will not be forgotten either. That is why our logo for Treasure Coast 2020 is the Golden Puffin.

We will end the week with a great Treasure Hunt. It must have a pirate theme because 19th September is International Talk Like A Pirate Day. Free pirate talk training will be available prior to the 19th. A world premier of a fun Stevenson adaptation for all ages is also being planned, with more details to follow.
